The Honourable Brad Wall
Premier of Saskatchewan
226 Legislative Building
Regina, SK S4S 0B3

Dear Premier Wall,

On behalf of our MERIT membership, I want to applaud and thank you for your years of service as the Saskatchewan Party Leader and as our Premier.

Your unprecedented leadership style encouraged and cultivated a new sense of Saskatchewan pride. Your vision of what we could be, fostered record growth in both our economy and population. You realized that strategic investments in infrastructure, facilities, and services would be one of the key components in making Saskatchewan a "Have" Province.

More importantly, as Premier, you led our province through a decade of growth. We believe that your leadership not only strengthened our province through job creation and business ventures, but it also provided an opportunity for our young people to stay and develop their careers at home.

On a personal note, I always appreciated the fact that you would make time to listen to any concerns MERIT had. You then would find ways to work toward finding mutually acceptable solutions to these issues. Our members will also remember you for your extraordinary passion for Saskatchewan and its residents. It's your passion that awakened a strong community culture that today radiates pride and a sense of accomplishment in being from Saskatchewan.

On behalf of our entire MERIT membership, I can honestly say you will be truly missed. Your upbeat personality and the way you respectfully treated people left a lasting impression on everyone you met. You can be proud of your legacy, which is the strong foundation that we can use to continue to build Saskatchewan. You have left Saskatchewan in better shape than you found it, for that we are grateful.

We sincerely thank you Premier Wall, for your service to this province and wish you all the best in your future endeavors.

Sincerely,

A handwritten signature in black ink, appearing to read "Karen Low".
